"This thoughtful and beautifully crafted book introduces the reader to the fundamental themes of phenomenology...This is the introduction to phenomenology that many of us have been waiting for. It offers rich and illuminating insights both for the first-time reader and for the long-term scholar.

Introduction to Phenomenology / Edition 1 by Robert ...
Phenomenology is the study of human experience and of the ways things present themselves to us in and through such experience. It attempts to restore the sense of philosophy one finds in Plato. It is, moreover, not just an antiquarian revival, but one that confronts the issues raised by modern thought.

Monsignor Robert Sokolowski is a philosopher and Roman Catholic priest who serves as the Elizabeth Breckenridge Caldwell Professor of Philosophy at The Catholic University of America. Sokolowski's philosophical research is focused primarily on the discipline of phenomenology and interrelated sub-disciplines, though he has also written works from a theological perspective. He is known for his interpretation of Husserl, commonly known as "East-Coast Husserlianism" in academic circles. His Introduc
